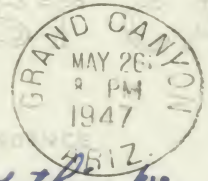
Rtldc-1765



Dear Mother:

This is the kind of thing we have rode. We rode all day crossing new rivers. All of were so tired. We will do the Grand Canyon tomorrow and expect to get to L.A. Tuesday. We did over 600 miles today and had some traffic. I forgot. Time to write much and can't write a good job anyhow. Tell Lee to tell you about it. We are all fine but tired. I like this suit coming fine for much trouble. Take care of yourself.

Love Gene, Mr. & J.
